MEMORANDUM FOR THE DIRECTOR:

This memorandum recommends action in Paragraph 4:

1. Mr. Cecil Davenport, Assistant to Congressman John M. Robsion of Louisville, Kentucky called to ask if you would consider speaking at a convention in Louisville, of the Junior State Chamber of Commerce in Kentucky. You would be welcome as a speaker at a luncheon at 12 noon on April 26, or as principal speaker at a banquet on 27 April 1957. There will be 1,000 people in attendance from all over the state of Kentucky. The membership consists of small businessmen and junior executives. Mr. Davenport said that Congressman Robsion is on the floor and told him to call me in an effort to determine if you are agreeable to this request. The Congressman will call you later if you are agreeable.

2. Robsion is the son of a former United States senator. He was educated in Washington at George Washington, Georgetown, and National Universities and was on the staff of General Clark in Italy in World War II. He has a unique distinction in that he was circuit judge by appointment of both political parties, Republican and Democrat.

3. I informed Mr. Paul of this call and he asked that I handle it.

4. RECOMMENDATION: I would think that if you can possibly spare the time to make the trip for the banquet on the 27th, that you might care to accept and I so recommend.
